REPORT OF ACADEMIC & CULTURAL ACTIVITIES (1 APRIL 2025 TO 31 MARCH 2026)

Introduction

Recognizing the absolute lack of higher educational institutions within the Bassi Tehsil region, the institution laid its foundation by establishing **Tilak Mahila Mahavidyalaya** in the academic session 2004–05. With special regulatory permissions from the State Government, it transitioned into a comprehensive co-educational college in the academic session 2005–06 to offer fully functional learning pathways under the Faculty of Arts. The institution successfully achieved its permanent No Objection Certificate (N.O.C.) from the State Government in 2009.

This official annual report comprehensively details the academic cycles, structural frameworks, cultural landmarks, and athletic achievements of Tilak P.G. College, Bassi, Jaipur for the **academic session 2025–26**. Throughout this session, our systematic focus remained firmly anchored on nurturing the holistic development of student communities by seamlessly blending curricular rigor with vibrant co-educational outreach programs.

1. Academic Calendars & NEP Compliance

S.No.	Detailed Description of Academic / Co-Curricular Activity
1	The centralized formal admission process for the competitive academic session 2025–26 actively commenced in the month of June and proceeded continuously through July.
2	Regular academic class schedules for the First and Third Semesters commenced systematically in September, fully structured under the new guidelines of the National Education Policy (NEP).
3	Mid-Term academic examinations for the First and Third Semesters under the National Education Policy (NEP) framework were successfully conducted in October, followed by the rigorous completion of University main examination form submission portals in November.
4	The affiliating University successfully administered the final theoretical and practical semester examinations for both the First and Third Semesters during the month of January 2026.
5	Subsequent regular classroom instruction and laboratory batches for the Second and Fourth Semesters commenced dynamically from the final week of January 2026.
